

**May, 16
4 pm**

Science Speed Geeking

**Kick-off Pooling Career
Development Program**

We cordially invite you to the kick-off of the Pooling Career Development Program. The program is aimed at women in science in early career phases promoting their scientific career.

Furthermore, the program offers support and information for all members of the research networks on the topics of leadership, team development, promotion of early career researchers, and gender- and diversity-sensitive approaches in science and academia.

Together we will kick-off the program with a Science Speed Geeking and plenty of time for networking and exchange.

We look forward to see you on **May, 16 at 4 pm at IBZ, Robert-Leicht-Str. 161.**

*Please register for the event.
Your registration helps us to
prepare the venue and catering
accordingly:*
